Christmas Show

Our Christmas shows are coming up the week of December 18th -21st. You are going to want your cameras ready to go! Some of you may not know what shows are, so let us explain. Shows at Flippers are like recitals. The kids in K-3 or level A and higher will be learning routines for the show. The children in the Tumble Bug Gym are working on their skills for the show as well.

The shows are held at Flipper's during Show Week and are free to come watch. The schedule during that week will be different from your regular class schedule, so more people will be able to come watch. Each class will be assigned a show time that will replace their normal class for that week. Watch for a Show schedule to come home the week of December 4th.

We want each child to know that they are important and loved. So please invite everyone your child would like to be there. We love seeing all the , moms, aunts, uncles, grandparents, and even teachers there.
